MEMORANDUM

TO: LME Directors

FROM: Leza Wainwright *LW*

RE: SFY 2008 4th Quarter Performance Contract Report

This memo is to transmit the State Fiscal Year 2008 Fourth Quarter Performance Contract (PC) Report. The PC report has been revised to reflect changes in the Division's approach to reporting on local performance measurement.

The PC report now highlights individual and collective LMEs' submission of reports and data required in the "SFY 2008 Performance Contract Reports/Data Requirements" document forwarded to you on May 13, 2008 and posted on the Division website's "Announcements" and "Performance Contracts" pages. This report includes measures that have been tracked in the Information Management, Analysis and Reporting Section of previous quarterly PC Reports.

The clinical performance and system management measures of the SFY 2008 DHHS-LME Performance Contract have been incorporated into the quarterly Community System Progress Report. While this report tracks compliance with the performance standards required by the Contract, it is designed to focus on areas of success and needed improvements by highlighting the SFY 2008 targets.

If you have any questions or concerns about the report, please do not hesitate to let us know by contacting your assigned LME Liaison.
